## GDPR & Privacy policy

Facing to the new GDPR regulations, which will come into force in May 2018, Nitator in Oskarström AB and Nitator Hylte AB wants to inform you as a customer, supplier and partner that we act in accordance with applicable legal requirements of data and personal data protection laws.

We register and store information in our customer- and supplier registers in form of name, email, address and phone related to your position in the company you are working or representing. The data is collected and processed for the purpose of administering the action you have requested or as required by law. We collect the data to ensure and fulfill the agreement we have between us, as well as to follow up the customer relationship.

We collect only the personal information that you submit to us when you fill out forms on our website, sending us an email or other documents you provide to us when you make inquiries about services or similar and have chosen to provide that information to us.

You are entitled to check and correct the information we have stored about you.

If you have any questions, please feel free to contact us!

Best regards
